Pattern Notes

Sizing: You can easily edit or change the size and shape of this blanket by adding additional stitches (in multiples of 10) or rows (increase the number of rows between bobbles uniformly).

Neater Edges: In this blanket pattern, I recommend slipping the first stitch knit-wise. Simply insert your needle as if you were going to knit the stitch and transfer it to the right hand needle without knitting it.

Stretchy Bind Off

Step 1: K2

Step 2: Insert the needle through the back of these two stitches and knit them together.

Step 3: K1

Repeat steps 2 and 3 until you have only one stitch remaining. Knot Yarn and sew in yarn tails.
